REGIONAL ADMINISTRATOR

Ann R. Klee, Vice President  
Corporate Environmental Programs  
General Electric Company  
3135 Easton Turnpike  
Fairfield, CT 06828

Dear <sup>Ann</sup>Ms. Klee:

Thank you again for your meeting on May 27, 2008 and your follow-up letter dated June 16, 2008. As you know, EPA received comments from dozens of stakeholders regarding General Electric's Corrective Measures Study (CMS) during our informal public comment period this spring. EPA is currently evaluating those comments, combined with the Agency's own review of the document. We continue to work closely with our state partners on this important project, and hope to respond back to GE in the near future regarding next steps in the CMS process under the Consent Decree and GE's Corrective Action Permit.

Sincerely,

A handwritten signature in black ink, appearing to read "Bob", with a long horizontal stroke extending to the right.
